

Blasting through the Glass Ceiling: Empowering Women in Leadership

May 1, 2015 9:30 – 5:00 PM North Creek Event Center, UW-Bothell

Graduate and Undergraduate and Poster Sessions & Oral Presentations

All potential presenters must be nominated by their departments or colleges. Advisors or deans will provide the link to register for the Poster Session. After registering for the Poster Session, please register for the conference.

The Poster Sessions are an opportunity for both graduates and undergraduates to present what they have learned through their research and other experiences to a larger audience. Students from all over Washington are invited to the AAUW-WA Leadership Conference. Two poster sessions with 30 posters and 5 oral presentations will be selected per session. The event showcases the best projects from a variety of fields and encourages conversations across those fields. Students currently involved in research and projects are encouraged to apply.

Since this is an AAUW-WA state leadership development conference, students will be able to include their presentations on resumes and graduate school applications.

Oral Presentations

Oral presentations should be 10 minutes in length immediately followed by a 4-minute question and answer session. Presentations should be tailored to an educated but non-expert audience and can include slides (e.g., PowerPoint), live demonstrations or performances, audience participation and/or handouts.

Poster Sessions

The poster should include a statement of the idea investigated, a description of the method or approach used, findings or progress to date, and a summary. This session will be 14 minutes in length.

Abstract

An abstract is a summary of the research or oral presentation usually presented in skeletal form, which concentrates on the essentials of a larger idea or claim. Your abstract should include sufficient information for reviewers to judge the nature and significance of your research, the adequacy of the methodology employed, and the nature of the results and/or progress to date.

Students will receive a conference program with a listing of all accepted program titles.

Register for the **Blasting through Glass Ceiling** Conference here:
