Key to success > VISIBILITY IN OUR COMMUNITIES:

For Tech Trek Camp, we raise funds through sale of local commodities and through donations from local businesses

Garfield May Day

5

Old Mill Days, Oakesdale in July

- Visits to our table, buying some delicious local commodities and donating to help sponsor more girls to Tech Trek camp!

A work session to make our boxes:

7

VISIBILITY:

- Thank you ad to donors in local paper
- Visit to MS principals in each little town to say who we are and what we can do for their students
- Participate in school awards ceremonies

The "Tech Trek Fundraising Subcommittee," led by
Jean Johnson,
consisted of everybody who wanted to join

- We knew nothing about fundraising to begin with, and learned by trial and error.
- Basically we compiled lists of local businesses and institutions we thought might contribute.
- We assigned our members to approach the most promising individually, trying to make the most of existing contacts whenever possible.
- We drafted "begging letters" and handouts to be used with appropriate modifications in each case.
- And of course, there were all the contributions from our own branch members and their families and friends, plus our commodity sales.
