Engaging New Audiences: Piloting the Equity Network

- How does it work? Is there a membership fee?
- How will it roll out nationwide and can branches participate?
- What role will the National Advancement Committee play?
- How can I learn more or send women, men, nonbinary gendered ages 21-45 to the Equity Network?

11

Membership and the Educational Requirement

Simply put, AAUW cannot promote equity for all women and girls if the organization maintains exclusionary membership requirements.
