## **600 SPONSORED STATE PROJECTS**

In addition to projects conducted by AAUW branches in Washington State, there are projects conducted at the state level. These include AAUW projects, such as Tech Trek, where AAUW-WA is the “organizing affiliate.”

### **610 TECH TREK**

AAUW Tech Trek is a national program conducted around the country by branch or state organizations. Through hands-on problem solving and encounters with women role models in science, technology, engineering, and math (STEM), AAUW Tech Trek helps girls see their futures while also having fun. The week-long residential summer camp, held on a college campus, is backed by AAUW’s research and designed to make STEM fields exciting and accessible to girls in middle school — the age when girls’ participation in these fields statistically drops. For many girls, their Tech Trek experience sparks their curiosity and places them on a path toward success.

In order to host Tech Trek camps in Washington State, AAUW-WA must agree to the terms and conditions specified by AAUW (national) in its annual Tech Trek Memorandum of Understanding (MOU). Upon receipt of the MOU, AAUW-WA shall review, sign, and return the completed MOU to AAUW.

The Tech Trek MOU specifies that, as “organizing affiliate” of Tech Trek, AAUW-WA shall be fiscally and legally responsible for Tech Trek, including, but not limited to, execution of a fiscal sponsorship agreement with a 501(c)(3) AAUW Affiliate. AAUW-WA shall work with the AAUW Washington Special Projects Fund (SPF), a 501(c)(3) AAUW Affiliate. Per the MOU, AAUW-WA shall also be responsible for documenting and tracking staff and volunteer adherence to AAUW Tech Trek Policies and Procedures provided by AAUW national.

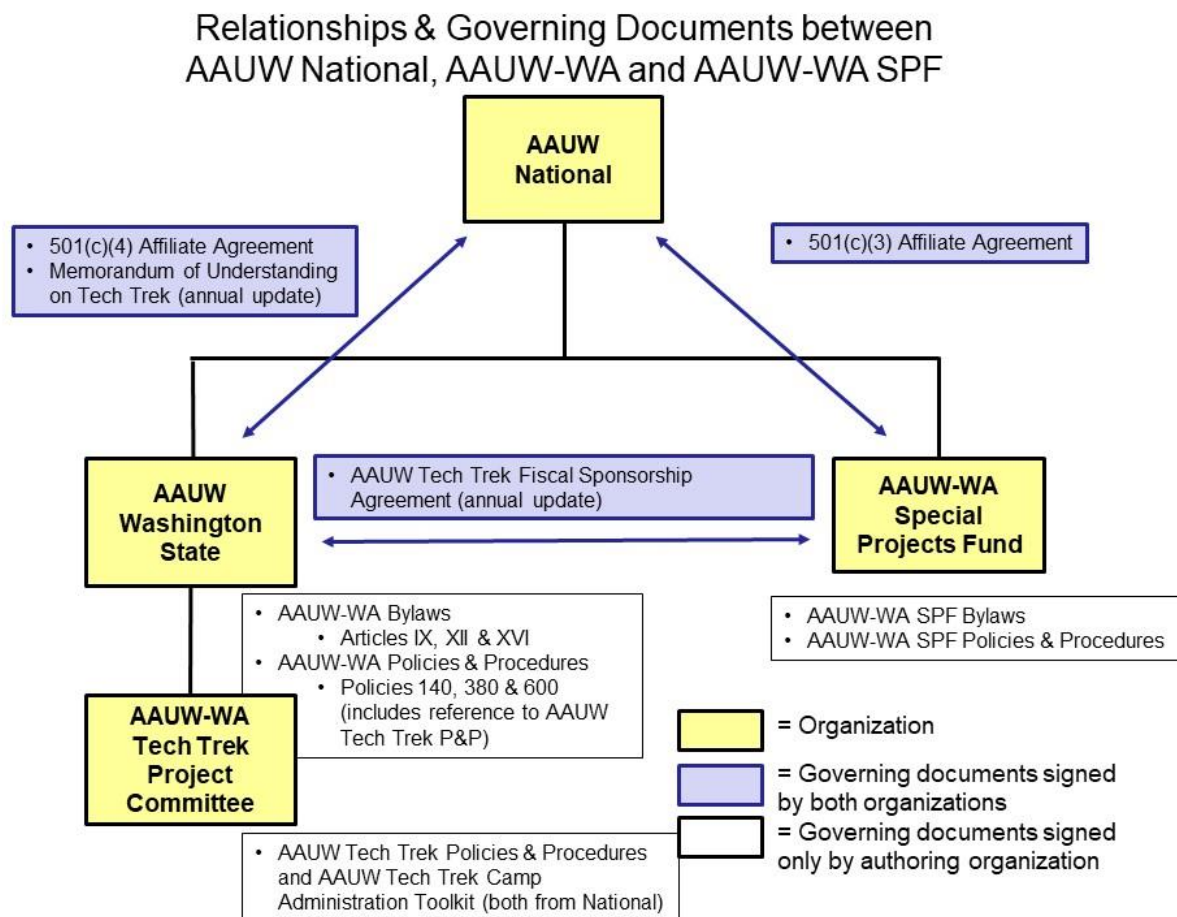

AAUW further requires that AAUW-WA and the SPF shall review and tailor (as appropriate) a template AAUW Tech Trek Fiscal Sponsorship Agreement. The Fiscal Sponsorship Agreement sets forth the roles of and responsibilities of each party with regard to the Sponsor’s (SPF) support of the AAUW Tech Trek program implemented by Organizing Affiliate (AAUW-WA). The Agreement also specifies the sponsor’s administrative fee and describes use of funds. The completed agreement shall be approved by the board of both organizations, as detailed in Policy 380 - Fiscal Sponsorship Agreement Review.

AAUW-WA shall implement its Tech Trek through a standing Tech Trek Project Committee, as specified in Policy 140. The AAUW-WA president shall appoint the chair (or co-chairs) of this committee. The Tech Trek Committee Chair is responsible for all coordination required for planning and conduct of the Tech Trek camps, ensuring that requirements of the MOU,

Fiscal Sponsorship Agreement, and Tech Trek Policies and Procedures are met and are in accordance with the AAUW Tech Trek Camp Administration Toolkit. The Tech Trek Committee Chair is responsible for reporting status to the AAUW-WA board. They shall attend board meetings when Tech Trek is on the agenda and shall receive notification of such ahead of time.

The following diagram illustrates the relationship between the parties, as per the applicable governing documents.

To ensure compliance with AAUW Tech Trek policies, the Tech Trek Committee Chair shall ensure that the camp has an active membership in the American Camp Association (ACA) and follow its best practices. The Tech Trek Committee Chair shall also ensure that everyone over the age of 18 undergoes a background check. First year volunteers do an FBI background check; returning volunteers do an annual screening (through OneSource).

To ensure that participating branches understand their roles and responsibilities in the overall process, and to ensure that camper selection

policies are followed, the Tech Trek Committee Chair shall share the AAUW-WA Tech Trek Toolkit on an annual basis, updating it as required.

To ensure a strong partnership among the parties, the Tech Trek project chair shall:

- A. Prepare an annual Tech Trek budget documenting expected fixed and variable expenses and contributions required to fund them, along with planned per student cost. This budget, along with its underlying assumptions, shall be reviewed by the AAUW-WA finance vice president, and then shall be presented to the SPF and AAUW-WA boards for their review and risk assessment. In its role as fiscal sponsor, SPF shall familiarize themselves with what's expected for the year and make any recommended revisions based on their experience with prior camps. In its role as organizing affiliate, with fiscal responsibility for Tech Trek, the AAUW-WA shall review and approve the budget. The approved budget shall be provided to all parties, and periodic reports provided as status and possible risk to the organization.
- B. Provide all contracts to the AAUW-WA president and finance vice president for their review prior to the president signing and committing the organization.
- C. Include the AAUW-WA president and finance vice president in coordination and finalization of the Tech Trek liability insurance policy. In its role as organizing affiliate with fiscal and legal responsibility for Tech Trek, AAUW-WA shall be the "insured" and shall determine if any additional coverage is required for the organization.
- D. Support an annual internal review conducted by AAUW-WA personnel tasked with ensuring Tech Trek staff and volunteer adherence to AAUW Tech Trek Policies & Procedures.

## **620 FUTURE SPONSORED PROJECTS**

In the future, AAUW-WA may agree to sponsor additional statewide projects. For any such projects, AAUW-WA shall ensure that any required changes or additions to Bylaws and Policies & Procedures are made, and that the relationship between the parties is well documented.

Within thirty (30) days of receipt, the bylaws committee will determine if it recommends going forward with the proposed change for a vote by the state board. Feedback either way shall be provided to whomever proposed the change.
- C. Written or electronic notification of the proposed change(s) shall be sent to each member of the state board at least two weeks (14 days) prior to the state board meeting when it will be considered for voting.

### **720 VOTING**

- A. Provided notice has been given in accordance with Policy 710 (above), provisions of these policies may be amended at any meeting of the state board by a simple majority vote of those present.
- B. In instances where notice has not been provided in accordance with Policy 710, provisions of these policies may be amended at any meeting of the state board by a two-thirds (2/3) vote to hear the proposal and a three-fourths (3/4) vote to adopt by vote of those present.
